ONE COPY—ONE CENT

HOME MAKING WILL BE TAUGHT IN THIS COUNTY BY EXPERT

Miss Lois Brown, of State Experiment Station, Returns Here Monday To Give Demonstrations in Mason's Schools.

The department of Home Demonstration of the Kentucky Experiment Station at Lexington has detailed Miss Lois Brown, one of its experts, to Mason county for a time to give various demonstrations in the county schools. Miss Brown was here for a couple of days last week but her work was interrupted by illness and she was compelled to return to Lexington. She will return to Mason county next Monday and begin immediately her demonstrations.

The Home Makers Projects fostered by this division of the Department of Agriculture are primarily for the girls of the schools and the women on the farms. Just as a County Agent assists the farmers to become better farmers, so the Home demonstration agent assists the farmers' wives to become better farm women.

The projects fostered and taught follow.

A. Child Welfare. a. Foods. 1. Family. 2. School lunch. 3. Use of milk. 4. School conditions. b. Recreation. 1. Home. 2. Playground. 3. Public entertainment. c. Health. 1. Home care. 2. School conditions. 3. Personal hygiene. 4. Preventive medicine.

C. Food conservation. a. Canning, salting, drying. b. Care of food. 1. Selection. 2. Cookery. 3. Storage.

D. Foods. a. Family diet. 1. Selection. 2. Cookery. 3. Service. b. Marketing.

E. Home Finance. a. Budgets, records, accounts. b. Marketing.

F. Clothing. a. Making. b. 1. Pattern. 2. Exchange. c. Millinery. c. Selection. d. Making. e. Care of Clothing. 1. Cleaning. 2. Storage. 3. Hanging—washing.

G. Recreation. a. Community Centers. b. Reading rooms. c. Social meetings. d. Sewing clubs. e. Art exhibits. f. Social dramatics. g. Picnics. h. County excursions. i. Walking clubs. j. Outdoor sports.

H. Home Planning. a. Remodeling. b. Decoratin. 1. Interior. 2. Exterior. i. Poultry. j. Gardening.

Mrs. J. F. Weeks, of Parkersburg, W. Va., is here visiting her sister, Mrs. Geo. Schatzmann, of Lexington street.

SUCCESSFUL FARCE HERE NEXT THURSDAY

Fair and Warmer Will Be Presented At Washington By Big All Star Cast of Farceurs.

Spaeth & Company will present their extraordinary farce success, "Fair and Warmer," Avery Hopwood's topmost achievement in mirthmaking at the Washington Theater on Thursday, March 11 for one night only. This delectable bubbling farce, with uncountable laughs in its three acts, ran so long and so profitably at the Harris Theater that before the end of its first six months it had been heralded all over the country as the farce hit of its decade, and demands for its out-of-town presentation had poured in to insure its welcome when Spaeth & Company should send it on tour. It duplicated its success at the Cort Theater, Chicago, during its six months capacity engagement there.

New York critics held a tournament of adjective over "Fair and Warmer," each striving for emphasis to describe how funny it really was. These reviews were echoed in the out-of-town press, so that "Fair and Warmer" needs now no further introduction.

Spaeth & Company send it here with an admirable company of farceurs.

TALKING CHAUTAUQUA.

Members of the local Chautauqua committee have received from the Coit-Alber Chautauqua Bureau, a tentative program for the coming season and the committee has begun to talk arrangements for the 1920 Chautauqua. No contract has as yet been signed but it is thought that Maysville will again be given high class summer entertainment through the Chautauqua.

EASTERN STAR MEETING IS GRAND SUCCESS.

The district meeting of the Eastern Star chapters in the Maysville district which was held yesterday at the Masonic Temple was a decided success in every way. There were several delegates from the various out-of-town chapters and everyone had a splendid time. Three were given the initiatory work Thursday evening.

ATTENTION, PROPERTY OWNERS.

The value of all classes of property has increased from fifty to 150%. Have you increased your protection in the same ratio? Better examine your fire insurance policies and consult the John T. Fleming Insurance Agency.

Specials today are music, Dardanelles. Trade price 60 cents, our price 25 cents today. J. T. Kackley & Co.

YAZELL'S SCHOOL BILL MAY MEAN NEW 6th WARD BUILDING

Many Changes in School System under Measure Adopted—Six of Present Board Members Must Retire in 1922.

At a night session Thursday, the Kentucky Senate adopted the Yazell Fourth Class City school bill which had been previously adopted by the House. The measure will probably be signed by Governor Morrow before the end of the present week.

This bill is the most far reaching educational measure that has been adopted by the Kentucky General Assembly in many years and brings about a uniformity of all Fourth class city school systems, something that has long been desired.

The new law will bring about many changes in the present system, chief of which is the manner of electing the members of the Board of Education. The number of members is cut from twelve to six and all of the members are elected from the city at large instead of from wards as at present. The election is by secret ballot and a candidate must file a petition bearing the names of at least fifty voters of the city. This petition must be filed with the County Clerk at least fifteen days before the election. Under the new law the first election will be held in November, 1921, and this means that six members of the Maysville Board of Education, who were elected at last November's election will be required to retire before their present terms expire. Those members who will have to step down and out before their terms expire are Messrs. Charles Slack, B. H. Greenlee, Edw. M. Smith, J. B. Russell, W. C. Crowell and A. R. Quigley.

The bill also provides that the City Superintendent shall be elected for a term of one year but after the first year, the Superintendent may be elected for a term of either two or four years. Under the measure, the Superintendent "shall have general supervision, subject to the control of the board, of the course of instruction, discipline and conduct of the schools, text books and studies and all appointments, promotions, dismissals and transfers of teachers and transient officers and the change of text books and apparatus shall be made only upon the recommendation of the Superintendent and the approval of the board." This is practically the same provision governing the superintendent as is provided in the new county school law.

Another great added feature of the bill is the fact that suburban territory can be included in the city school system upon agreement. It provides that if a majority of the male voters of a suburban territory sign a petition to the city Board of Education and the County Board of Education, that territory can be taken in as city school territory when the City Board will accept them and the County Board dismiss them. When a suburb is taken into the city for school purposes that territory is subject to city school taxation but not for city taxation for any other purpose.

This phase of the bill is especially interesting to Maysville because of the large suburban territory adjoining the East end of the city which will probably immediately come into the city for school purposes. The Sixth ward school building is wholly inadequate and badly in need of repair. It is understood that the School Board can purchase the ball park property in East Second street and if the territory adjoining the East end of the city petitions to be added to the city for school purposes, a large new school building will probably be erected there in the very near future.

The one feature of the bill which was fought somewhat in the Senate last night was the taxation clause which provides that the maximum rate of taxation for school purposes be increased from 50 cents to \$1.50. Local school authorities, in discussing the measure this morning, stated that it was their opinion that the Maysville schools could be operated very successfully with the proposed increase in expense of operation on a taxation rate of 75 cents.

Dr. W. S. Yazell, Mason county's representative, the author of the bill, has made for himself a lasting statewide reputation through this one measure and is to be heartily congratulated upon the success of his endeavors to improve the school system of the state of Kentucky and especially those of the Fourth class cities and counties.

HOTEL HEATING PLANT BREAKS DOWN.

The steam heating plant at the Central hotel broke down last night. Host Watkins, always alert to the comfort and convenience of his guests, promptly had gas stoves installed to warm the hotel until such a time as the plumbers can make the needed repairs to the steam plant.

NO REFLECTION ON CAPTAIN HARRUB MEANT

Judge Cochran Makes It Clear That He Has High Esteem for State Health Board Expert.

Maysville, Ky., March 5, 1920.

Public Ledger:

In what I said yesterday about the State Board of Health getting out of town, I meant no reflection on Captain Harrub. As I said before Council and at the courthouse, I have nothing but the highest regard for him. Nor did I mean that the State Board of Health should get out of town. I meant no more than what I said and that the State Board of Health should get out of town with its whip. It sent Captain Harrub here with a threat that if we did not come to terms with the Water Company by March 15th it would see that our water supply was cut off. I resented this to the extent of all that is within me and I could not help but cry out against it. I am in favor of doing whatever is possible to be done to thoroughly eradicate typhoid fever from this community and a movement to obtain a filtration plant under conditions along lines that are fair to the city will enlist not only my heartiest sympathies, but my help so far as other demands upon me will permit.

A. M. J. COCHRAN.

WAIVE EXAMINATION.

The case against Lee Carr and W. F. Green, employees of the Sunbelt Creamery, charged with assault and battery in connection with an assault on Mr. Chris Hunsicker, mail carrier, was called before Police Judge John L. Whitaker this afternoon. Both men waived examination and they were held for Grand Jury investigation, their bonds being placed at \$200, which they gave.

FIVE ACRES OF CITY PROPERTY CHANGES HANDS.

The Cochran estate has sold five acres of land between Forest Avenue and the C. & O. Railroad and directly south of the baseball park to Messrs. E. T. Kirk, Samuel King and Thos. A. Duke. This is one of the largest city land deals in Maysville in several years.

MRS. SALLIE BOGGS DEAD.

Mrs. Sallie Boggs aged 43 years died at her home at Cottageville Thursday night after a short illness of influenza. She is survived by her husband and six children, the husband at present being ill with influenza. The funeral will be from the residence Sunday and burial will be made at Olivet.

SUE FOR JUDGMENT ON ACCOUNT DUE.

In the Mason Circuit Court this morning Chris Larkin and Sister brought suit against Ed Catron asking judgment for \$140.20 on an account alleged to be due the plaintiffs, who are general merchants in the town of Washington.

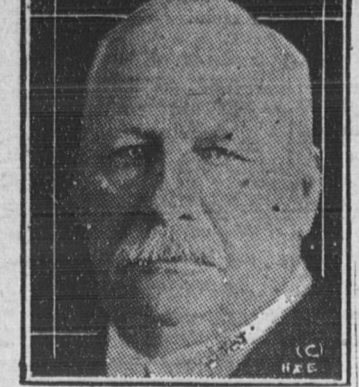

MAYSVILLE MADE DISTRICT HEADQUARTERS BY STANDARD

The Standard Oil Company has made Maysville district headquarters for four counties—Mason, Lewis, Robertson and Bracken, and Mr. Ben H. Greenlee, local manager, has been promoted to the position of district manager.

SELLS EAST END BUILDING LOT.

Mr. Tom Donovan, local real estate agent, this morning sold a vacant lot belonging to him in East Second street near Main street to Mr. W. W. Thorogman, who expects to build on the lot in the very near future.

MAY OPPOSE GLASS IN VIRGINIA TOGA RACE

Former Governor Henry C. Stuart of Virginia, has been offered a place on the United States Interstate Commission, but it is possible he will decline, so that he will be free to run for the Senate, when the short term, which Carter Glass is now filling through appointment, expires.

CHICKENS ARE NOT ANIMALS, COURT HOLDS.

Holding that chickens were not animals, Police Judge John L. Whitaker yesterday afternoon dismissed the local agent of the Adams Express Company from a charge of cruelty to animals in connection with the standing of fourteen crates of chickens at the local depot for two days and a night without attention.

INCOME TAX RUSH IS EXPECTED NOW.

A grand rush for the filing of income tax returns is expected at the local revenue office during the next week. All income tax returns must be filed before March 15th and in order to accommodate the expected rush, there will be an extra force of deputy revenue collectors at the local office next week.

JUDGE HINES' OPINION.

In another part of this issue will be found the main features of the opinion of Judge Hines, of Louisville, on the local water situation, procured from him by the special Water Commission and compiled in this short form by the Water Committee of City Council. It will make quite interesting reading just at this time.

Madam Nina, scientific American palmist, Saturday's only. No. 4 Second street, over Swift's Drug Store, Hours 9 a. m. to 9 p. m.

Mr. Larkin returned to his home in Cincinnati Thursday afternoon having been called here by the death of his father, Mr. William Slack.

CAST OF CHARACTERS FOR ELKS BIG SHOW ANNOUNCED

Many Prominent Men and Women, Boys and Girls, Will Take Part in Big Home Talent Show To Be Given By Elks.

Prominent members of the Elks' show are given below. This announcement is of more than passing interest. Everyone knows the high standard set by the Elks former amateurs under the direction of Mr. and Mrs. Jean Jordan and this will be no exception to the rule. Those on the inside privileged to view the rehearsals are more than enthusiastic over it. Much new talent has been added to the original cast. The names are almost complete. Others will be announced daily. See for yourself.

The Misses Bona Fitzgerald, Louise Hunsicker, Catharine Smith, Fanny Thomas, Frances Thomas, Georgia Hornback, Elizabeth Walsh, Margaret Alice Tolle, Norma Flowers, Lillian Ankle, Irene Gilcher, Margaret Kalker, Ruth Scarborough, Alice Taylor Knight, Marion Dalley, Minnie Miller, Aileen Berry, Miss Addie Boyd, accompanist.

Messrs. W. R. Smith, Jr., John Dudley Keith, Duane Rogers, Stanley Jacobs, Bob Hoefflich, Bill Giesel, Gordon Sulser, Dr. J. A. Dodson, Tom Russell, Wm. Weis, Leon Squires, W. R. Smith, W. H. Watkins, Dr. Devine, Bernard Hanley, Clyde Holcombe, Joe Wadsworth, Joe Ed Matthews, Mitchell Matthews, Milton Russell, Lee Dryden, Samuel Harover, Graham Mose, Orville Rains, Robert Clift, Quinn Martin, Mauward Tolle, Clarence O'Keefe. And more to follow.

WRECK IN WEST VIRGINIA DELAYS C. & O. TRAINS.

A large Mendo engine on the C. & O. turned over on the main line near Hinton, W. Va., this morning and nine loaded coal cars pile up on top of it. Traffic was delayed several hours. Fast train No. 5 westbound was so delayed as to be annulled from Hinton west and No. 3 this afternoon, running in two sections is now more than three hours late.

FINED FOR STRIKING SMALL BOY.

Mr. Roy Brown, proprietor of the East Second Street Pool room, was before Judge John L. Whitaker Thursday night on the charge of striking a minor. He was fined \$8.90 which was promptly paid.

The Omar Dodson Wholesale grocery has a very attractive new auto truck.

MISSING SEVERAL MONTHS; FOUND DEAD IN BED

Prominent Hillsboro Citizen, Missing Since November, Found In His Home With Pistol in Hand.

With a pistol clutched in his right hand James Gotherman, aged sixty-seven years, was found dead in bed at his home near Hillsboro, Ohio, Monday. His forehead had been pierced by a bullet, which indicated that he had been fired by himself.

Following the discovery there immediately arose a suspicion that probably these indications were not what they appeared to be.

Gotherman has been a resident of this section for many years. It was recalled that he had not been seen in the community since Thanksgiving day, when he sold his farm and told his nephew that he was going to Illinois, giving him instructions to move the household goods, March 1, if he was not back by that time. Gotherman failed to put in his appearance so the nephew went to the house Monday to move the furniture, where he found his uncle dead. It is supposed that he has been dead since November.

It is estimated that Mr. Gotherman was worth between \$15,000 and \$20,000. He was of a very peculiar nature, it is said, having had some domestic troubles in the past. He had been in an insane asylum at one time and since his return had not been in a normal state of mind.

Two sons, Elmer Gotherman and Russell Gotherman, live in the Port William neighborhood in Clinton county. The dead man's divorced wife, Mrs. Hannah Gotherman, also lives in the Port William section.

The Highland county officials are working on every possible clue that may lead to more information in the case.

NOTICE.

The Sixty-second Series of the Limestone Building Association is now open and ready for subscribers. Plenty of money to loan on good real estate. Stock 30c. per share, no charge for initiation; a good investment as well as easy payments for loans. Call on J. W. Lee, President, or H. C. Sharp, Secretary, or any of the directors.

LEXINGTON'S POPULATION.

Lexington's population is 41,534, an increase of 6,435 or 15.3 per cent. over 1910, according to announcement made by the Census Bureau today.

FEELING LIKE A NEW PERSON ALL OVER NOW

This Man Tells How Voia-Tonic Built Up His Run Down System.

"Voia-Tonic built up my system after I had been weak and run down for over a year and I want to recommend this medicine," said George Hill, of 204 Warner street, Cincinnati, O.

"About a year ago my system got in a weakened, run down condition. My strength and energy seemed to be about gone. My nerves got out of order and I couldn't sleep right at night or get the proper rest."

"I work in a shipping department and it was about all I could do to get my duties done in my weakened condition."

"It seemed that nothing would help me. I tried several medicines but without results."

"Then I heard about Voia-Tonic and decided to give this medicine a trial. I am now and I feel like a different person."

"Voia-Tonic has built up my system and made me so much stronger all over that I am glad to recommend this medicine to others."

"Voia-Tonic, 'Builder of Strength,' brings a good appetite and good digestion. It helps the stomach take strengthening nutrition from food to nourish and build up the broken down tissues and ailing organs of the body."

"Voia-Tonic also soothes the nerves and permits sound, energy-restoring sleep every night. As a result, full normal strength and health soon come to the weakened, run down man or woman."

"Voia-Tonic, 'Builder of Strength,' is being specially introduced in Maysville at J. J. Wood & Son.

Buy in Maysville. It pays.

I feel sorry for boys who don't have

Post Toasties

Many other items too numerous to mention.

Terms made known on date of sale.

W. L. HOLTON.

FARMER'S INCOME SUBJECT TO TAX

Gains for 1919 Must Be Figured Under U. S. Law—Returns Due March 15.

LAND SALE PROFITS TAXABLE

Necessary Farm Expenses May Be Deducted—Special Form for Farm Income—Cash or Accrual Basis for Computing.

A farmer, shopkeeper, or tradesman must figure up his net income for 1919; and if the farm or business income plus his other income was sufficient to require an income tax return a complete return must be filed with the collector of internal revenue by March 15.

A farmer should ascertain the gross income of his farm by computing all gains derived from the sale or exchange of his products, whether produced on the farm or purchased and resold.

Farm Expenses. From his gross income a farmer is allowed to charge off all of his necessary expenses in the conduct of the farm during the year. These include costs of planting, cultivating, harvesting and marketing. In addition to these costs he may deduct money spent for ordinary farm tools of short life bought during the year, such as shovels, rakes, etc. Also, the cost of feed purchased for his live stock may be treated as an expense in so far as this cost represents actual outlay, but the value of his own products fed to animals is not a deductible item.

Other farm expenses allowable are the cost of minor repairs on buildings (but not the dwelling house), on fences, wagons and farm machinery; also bills paid for horseshoeing, stock powders, rock salt, services of veterinary, insurance (except on dwelling house), gasoline for operating power and sundry other expenses which were paid for in cash.

As to hired help, all the productive labor is a deductible expense; but the wages of household servants, or help hired to improve the farm, as in tree planting, ditching, etc., cannot be claimed against earnings. A farmer is not allowed to claim a salary for himself or members of his family who work on the farm.

Wear and Tear.

Purchase of farm machinery, wagons, work animals, etc., also the cost of construction or extension of buildings, silos, fences, etc., should be considered additional investments in the farm and are not proper deductions against income.

A reasonable allowance may be claimed for wear and tear on farm buildings (except the farmhouse), fences, machinery, work animals, wagons, tanks, windmills and other farm equipment which is used in the conduct of the farm.

As to autos and tractors, the cost of these is not an expense, although the cost of their upkeep is an allowable deduction, if the machines are used exclusively for farm purposes and not for pleasure. Also, in such cases, a deduction for wear and tear is allowed.

Farm Losses.

The loss of a growing crop is not a proper deduction from income, inasmuch as the value of the crop had not been taken into gross income. The loss of a building or of machinery through storm, lightning, flood, etc., is an allowable deduction, but care should be used to ascertain the correct loss sustained, as restricted by income tax regulations.

No deduction is allowed in the case of loss of animals raised on the farm, but a loss is deductible from gross income if the animals had been purchased for draft or breeding purposes. Shrinkage in weight or value of farm products held for favorable market prices cannot be deducted as a loss, for the reason that when such products are sold the shrinkage will be reflected in the selling price.

Sale of Farms and Land.

The value of agricultural lands has been jumping during the past few years, and during 1919 many owners sold out part or all of their lands at high profits. All such gains constitute income and must be taken into the net income for the year.

Any person who sold part of a farm or ranch, or part of a parcel of land, must also show any gains realized by the sale.

The method of figuring gains and losses on such transactions is prescribed in the Income Tax regulations, copies of which may be secured from Internal Revenue Collectors.

Forms for Returns.

The Internal Revenue Bureau has issued an improved Form 1040F for the use of farmers. This form, together with Form 1040A or 1040, will give the farmer explicit information as to how to properly figure his net income for 1919.

There are two methods of figuring a farmer's income tax return this year. He may make his return on the basis of the difference between the money and goods received for his products and the cash paid out for actual allowable farm expenses within the year. Or he may make his return on the accrual basis, which means computing the receipts and expenses that pertain to the taxable year, excluding income earned and expenses incurred in previous or succeeding years.

TRANSYLVANIA CAMPUS COVERS TEN ACRES.

The Campus of Transylvania College at Lexington covers ten acres of land in the heart of the city. The college

SIXTY MILLIONS DISCIPLES' GOAL

TRANSYLVANIA, COLLEGE OF THE BIBLE AND HAMILTON COLLEGE WILL GO OUT FOR NEARLY TWO AND A HALF MILLIONS NEXT FIVE YEARS.

\$588,000 FOR COMING YEAR

Many Former Students of Lexington Institution Attend Inter-Church World Movement Conference in St. Louis.

Lexington, Ky.—Sixty million dollars is the goal set by the Disciples of Christ for work of that church for the next five years, and twelve million for the next year. Transylvania and the College of the Bible, including Hamilton College, at Lexington, had asked for \$3,962,952 for the five-year period, which was reduced to \$2,454,958, and to \$588,124 for the one-year period, by the Conference.

President R. H. Crossfield and Secretary J. L. Fennell, of Transylvania, have returned from St. Louis, where they attended the Disciple Conference of the Inter-Church World Movement, composed of 108 representatives of the Board of Education, the United Christian Missionary Society, the Temperance Board and the Commission on Christian Unity.

Education Gets Half.

It was declared by the conference that the United Missionary Society and the Board of Education are equally interested and are equally responsible, as respects the Inter-Church World Movement; that all existing machinery of these organizations be utilized as far as possible without the creation of additional machinery for the campaign; that as all missionary and educational organizations are passing through a transitional period, reorganization and adjustment will be necessary; that \$800,000 be the goal of the Disciples of Christ for the five-year period and \$120,000 for the year 1920. Of the sixty millions, thirty millions is to go to the twenty-five colleges of the Board of Education, and a like amount to the organizations of the United Missionary Society.

The asking of the \$120,000 for the present year is to be divided in the same ratio, and one pledge card will be used in receiving the subscription. The right of designation being respected. The financial campaign will be made April 21st to May 2nd.

Askings Are Reduced.

Though the twenty-five colleges of the Board of Education had asked for forty-one millions for the five-year period, as the amount necessary to make them thoroughly efficient according to the standard set by the Association of American Colleges, it was necessary to reduce this sum to thirty millions. The same adjustment was made in connection with the askings of the organizations of the United Missionary Society.

Of the 108 representatives who attended the Conference, the following were former students of Transylvania and the College of the Bible: Richard Heilbronn, editor of Front Rank; W. F. Turner, superintendent of the Northwest; L. E. Adams, State Secretary, Louisiana; C. C. Ware, State Secretary, North Carolina; J. H. Wood, President, Southwestern College; M. L. Bates, President, Hiram College; Colby D. Hall, Dean, Texas Christian University; E. M. Waits, President, Texas Christian University; Grant K. Lewis, Secretary, American Christian Missionary Society; Paul B. Raines, Western Bible School Secretary; Marion Stevenson, Editor, Sunday-school Department Christian Evangelist; E. B. Motley, State Secretary of Virginia; E. W. McCash, Minister, St. Louis; T. T. Roberts, Secretary, Phillips University; J. T. T. Hundley, President, Lynchburg College; Mrs. Thomas Young, Missionary to Japan; W. M. Baker, State Secretary of Iowa; C. W. Casble, State Secretary of Indiana; J. S. Mill, State Secretary of Missouri; E. C. Linger, State Secretary of Eastern Pennsylvania; J. S. Caldwell, Dean Drake University; A. R. Moore, Superintendent Southeastern States; H. W. Elliott, State Secretary of Kentucky.

PLANS ADDITIONS AT TRANSYLVANIA

President Crossfield Would Add to Administrative and Teaching Staffs of the College When Funds Permit.

President R. H. Crossfield, of Transylvania College at Lexington, Ky., plans the addition of sixteen to the personnel of the college staff, when financial conditions warrant the increase. Four of the sixteen will be in the administrative department; a secretary to the president, an assistant to the business manager and two assistant librarians. The twelve to be added in the teaching faculty include the following:

One additional professor in English, one in Education, one in Physics, one in Chemistry, one in Geology, one in French, one in Old Testament, one in Homiletics, one in Practical Theology, and three additional assistant professors; one in History, one in Sociology and one in Mechanical Drawing. is just across the street from the Carnegie Library and students, therefore, are close to that institution, as well as having the advantage of the rare old library of Transylvania, which has attracted the attention of scholars

Delicate Mothers

Vinol, our Cod Liver and Iron Tonic, is the best remedy for Nervous, Run-Down, Anaemic Conditions.

This Letter Proves It.

Kenton, Del.—"I suffered from a nervous, run-down condition and no appetite. I keep house and live on a farm so had to keep about my work as I have five in the family. My druggist recommended Vinol as the best medicine for my condition. I felt better after taking the first bottle. It has given me a good appetite, I sleep better and feel stronger in every way." —Mrs. J. HERMAN WILDS.

It is the Beef and Cod Liver Peptides contained in Vinol aided by Iron and Hypophosphites which makes it such a famous blood-maker, nerve builder and strength creator. Besides Vinol is not a secret medicine. Its full formula is printed on each package.

J. Jas. Wood & Son, Druggists, Maysville, Ky., and Druggists everywhere.

MACADAM MAINTENANCE COSTLY.

Here is what a road engineer, writing in a recent issue of an engineering magazine, says about Kentucky pikes. It was a fortunate thing for the tollpike companies that the highways were taken over by the public just at the time when automobile traffic was becoming the dominating factor in the use of highways. His inference was that the toll pikes would have been bankrupt trying to keep the pikes in the condition demanded of them as public service corporations.

Kentuckians are learning, as they see their constantly rebuilt pikes ravel away, that macadam will not stand automobile traffic. Maintenance cost has mounted so high that it becomes a question whether to spend all of the county's money on the main thoroughfares or let them deteriorate in a desperate effort to keep the tributary roads passable. Between the alternatives the money is frittered away in patchwork, and nobody is satisfied.

Oil is serotized to as a deterrent of disintegration, but its cost must be charged to maintenance likewise, and \$1,000 to \$2,000 the mile annually is no over-estimate of the maintenance cost of macadam highways subjected to the growing average automobile travel.

The solution of the problem is to

build the main thoroughfares in such a way that their maintenance will be practically nothing through a course of years, and to devote the annual levy during that period to the upbuilding of the lateral roads. If a paved road is built for \$20,000 the mile to last ten years and a macadam road for \$15,000; but the macadam road requires an average maintenance fund of \$2,000 annually, in ten years the macadam road will have cost seventy-five per cent. more than the paved road and at no time will have been as good. If, in addition to this the paved road can be more cheaply, quickly and easily patched or renewed, why stick to macadam?

Kentucky is unlike states which never had good roads and never wanted them until they got the automobiles. Kentucky had good roads, but a new kind of vehicle suddenly came along and destroyed them. Kentucky was educated to macadam; Kentucky has now to mend her ways. It is more difficult to change a long accustomed course than to follow a new course already marked out by someone else; but Kentucky has reached the point where she realizes that modern conditions demand a change, and good roads mean more than an effort to restore the pikes of stage coach days.

REHEARSALS PROGRESSING.

The rehearsals for "Out Out Monsieur," the Elks' big home talent show to be held at the Washington Theater on the evenings of March 15 and 16th, are now progressing at a merry clip. The cast and large chorus are put through their paces every night and the production is beginning to assume definite proportions. This is the year-

MAYSVILLE EVIDENCE FOR MAYSVILLE PEOPLE

The Statement of Maysville Residents Are Surely More Reliable Than Those of Utter Strangers.

Home testimony is real proof. Public statements of Maysville people carry real weight. What a friend or neighbor says compels respect.

The word of one whose home is far away invites your doubts. Here's a Maysville man's statement. And it's for Maysville people's benefit.

Such evidence is convincing. That's the kind of proof that backs

Don's Kidney Pills.

Ask your neighbor! Henry S. Gallenstein, blacksmith, 124 W. Third St., Maysville, says: "My kidneys were out of order and I had pains through my back. Don's Kidney Pills put an entire stop to the pains and my kidneys became well."

RESULTS THAT REMAIN Over four years later, Mr. Gallenstein said: "I haven't had any need of a kidney medicine since I last recommended Don's Kidney Pills. The benefit they gave me has been permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mr. Gallenstein had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

est and most difficult amateur performance ever attempted here and requires every bit of talent the city can muster.

While most of the former stand-by, and regulars of the Elks' home talent shows are in evidence, much new talent has cropped up. Conspicuous is Mr. Bob Hoeftich, who has had much experience in the amateur and professional stage. He also does a cracker-jack eccentric dance. Miss Louise Hunsicker, heretofore one of the most sprightly of choristers, has graduated from the ranks and is now playing the lead. She will make a very appealing Nanette. Young Bill Smith plays a posite her. The personnel of the entire company will be announced later.

VALUE OF STATE'S LIVE STOCK SHOWS DECREASE IN 1919

Probably Same Number of Animals as Last Year But Decrease in Valuation Cuts Figures.

The Field Agent on Agriculture issues this statement on Kentucky livestock for the year 1919:

Kentucky farmers this year have on hand livestock worth approximately \$105,017,000 compared to \$178,439,000 worth of stock on farms in the State last year. There is only a very slight decrease in the total number of all classes of farm animals as a whole, but the lower prices, compared to a year ago, make the total value approximately seven and a half per cent. less than in 1918.

Horses number approximately 429,000, mules 231,000, milk cows 457,000, other cattle, 580,000, sheep 1,236,000, and swine 1,681,000. Compared to 1918 this is approximately a decrease of two per cent. in horses, one per cent. in number of mules, one per cent. increase in number of sheep and five per cent. decrease in number of swine.

Milk Cows are the only class of livestock averaging higher in value than last year, \$73 in 1920 compared to \$72 in 1919. Horses average \$101 compared to \$104 a year ago, and mules were only about the same average price as a year ago until the very recent activity sent prices up a little.

We are still selling every crop of Tobacco delivered at our house at

Top Market Prices

and selling bright crops higher than ever before known.

We last week sold the 4,440 pound crop of C. J. Moore, of Fleming County, Ky., at the unbeaten

Average of \$96.24

This beats our high crop average of week before last. There were sixteen baskets in the Moore crop and they ranged from \$81 to \$106 per hundred pounds.

This leaves the HOME where it has always been

IN THE LEAD

What ever kind of a crop you may have be assured that you will get the top of the market for it if you take it to the

HOME

FREE STABLE AND PLENTY OF ROOM.

Isn't This True?

The difference between the man who fails and the one who succeeds is simply the difference between missing and grasping opportunity.

"Tomorrow" is altogether too popular a word with some people. They should substitute "Today".

The man who accomplishes anything isn't sitting around finding excuses for not doing things. He is doing the most important thing first whether it pleases him or not. There is no time like the present. Improve it!

even that not affecting the average for all ages much, as many farmers complain of unreasonably low prices in yearling mules, which helps to reduce the average of mule prices. The state's average price on mules (all ages) this year is about \$126 compared to \$127 last year. The value of the average hog in Kentucky shows a drop from \$16 last year to \$13 this year, and cattle other than milk cows show a small decrease in average value, from \$42.50 last year to \$41.20 this year.

SENATOR MARK SMITH ONCE STUDENT OF TRANSYLVANIA

FAMILY ALL WELL?

When Your Friends Ask That, Can You Always Say "Yes?"

PEPTO-MANGAN BUILDS RED BLOOD

The Happy Family is the One Where Everybody Has Red-blooded Health.

Children should not be pale and wan. Women should not be tired, weak and blue. Young girls should not be sorrowful, listless and anemic. Men should not feel run-down and poorly.

Poor health and lack of vitality are often merely the result of impoverished blood.

Gude's Pepto-Mangan is for people whose bodies suffer from lack of proper blood nourishment. Pepto-Mangan enriches the blood and increases the number of healthy red blood cells which are so necessary to carry the proper nourishment, vigor, and strength to every part of the body.

It contains the very properties that are so sorely needed to build up thin watery blood. Physicians call it the Red Blood Builder.

For your convenience Pepto-Mangan is prepared in two forms, liquid and tablet. Both contain exactly the same medicinal value.

Insist on the genuine "Pepto-Mangan." To be sure you are buying the genuine Pepto-Mangan, ask your druggist for "Gude's." And be sure the name "Gude's" is on the package.—Adv't.

OPINION.

We, the undersigned Water Committee, as instructed by vote of Council hereby publish that part of the opinion of the Honorable Edw. W. Hines, bearing on question as disclosed in the opinion as follows:

1st. "What is the right of the City and citizens of Maysville to compel the Water Company to remove the basis of the complaint of the State Board of Health relative to the Maysville Water supply?"

2nd. "What is their right to compel the Water Company to furnish water for domestic purposes free from mud and from such impurities as are likely to effect the health of citizens of Maysville?"

These two questions are so interwoven that it is difficult to discuss them separately, and so they will be considered as one question.

In the light of the facts before me and of many cases considered only a few of which have been cited, I have reached the following conclusions, some of which have already been stated:

1. The water company is subject to indictment if it continues to furnish water for domestic use which it knows is not ordinarily pure and wholesome.

2. The water company may be restrained from collecting water rents until it does furnish water for domestic use which is ordinarily pure and wholesome.

3. If the water can be made ordinarily pure and wholesome by the efficient operation of the disinfecting plant, the water company is entitled to use that method of purification, and it may be compelled to do so.

4. The water company may be enjoined from furnishing for domestic use water which is not ordinarily pure and wholesome.

5. The water company may be compelled by a court of equity to install reliable pumping machinery, or at least such machinery as the contract calls for.

6. The contract may be rescinded upon equitable terms if extraordinary expense is necessary to enable the water company to furnish water for domestic use which is reasonably pure and wholesome, and it is unwilling to incur that expense.

7. If the findings of the State Board of Health as to the bad condition of the water company's plant and the inadequate service given by the company are true the city is entitled to have the contract rescinded and the franchise forfeited, regardless of conditions arising from the impurity of the water supply.

8. The city may purchase the plant in accordance with the terms of the contract.

(Signed) EDW. W. HINES, Respectfully submitted. GEO. DEVINE, Chairman. C. F. REED, W. R. SMITH, CHRIS BROWN, GEO. W. ROYCE, FRANK HUNSICKER.

MARY PICKFORD GRANTED DIVORCE

MARY PICKFORD.

Reno, Nev., March 4. — Mary Pickford, motion picture star, won a divorce from Owen Moore Wednesday night at Minden, a small town near Carson City, on grounds of desertion. It became known today.

She has been at the Campbell ranch at Genoa, near by, since February 15. Miss Pickford was accompanied to the courtroom by her mother, Mrs. Smith, and wept freely while testifying.

Moore was not in court, but was represented by an attorney.

Miss Pickford told the court that Moore had deserted her on several occasions and had only returned in response to her pleas, but that a year ago he left her and has refused to return.

COMMISSIONER'S SALE

MASON CIRCUIT COURT.
Hugh O'Donnell, et al.
On Petition Ex Parte.

JUDGMENT AND ORDER OF SALE.
In obedience to a Judgment and Order of Sale in the above-styled action, I will, as Master Commissioner, on the date hereinafter specified proceed to sell, at public outcry, and to the highest and best bidder, in each instance, the herein-after-described parcel of real estate in order that the net proceeds from said sale may be divided among the parties thereto entitled, in accordance with their respective rights therein.

Said parcel of real estate is bounded and described as follows:
All that certain tract or parcel of land lying and being in the Fifth Ward of the City of Maysville, County of Mason, State of Kentucky, described and bounded as follows, to-wit: "All that certain tract and parcel of land, situate, lying and being in the Fifth Ward of the City of Maysville, County of Mason, and State of Kentucky, described and bounded as follows, to-wit: Said tract of land consists of three (3) city lots, fronting 33 feet each on Lexington Street, East side, and running back 132 feet to an alley. Being known and designated on the January plot of East Maysville as Nos. 125, 126 and 127. Being the same property which on the 3rd day of September, 1871, was by deed of George B. Catlett and wife and others conveyed to the said Eunice O'Donnell, deceased, recorded in Deed Book 75, page 399, of the Mason County Court Clerk's Office. Three good tenement houses, all occupied by prompt paying tenants.

Said property will be sold on the premises at 2 o'clock p. m., on SATURDAY, MARCH 6, 1920.

TERMS OF SALE:—Said sale will be made on a credit of six (6), twelve (12) and eighteen (18) months, in payments of equal amounts. The purchaser will be required to execute Sale Bonds for the purchase price thereof, with approved personal security, payable to me as Master Commissioner and bearing interest thereon at the rate of 6 per cent. per annum from date of sale of said Parcel. Said Sale Bonds will have the force and effect of Replevin Bonds, with a lien retained thereon upon the property in order to secure the payment of the purchase money for which they are executed. All taxes and assessments upon said parcel of real estate which are due and payable on and after date of the sale shall be assumed and paid by the purchaser of said parcel.

A. G. SULSER, Master Commissioner.
FRANK P. O'DONNELL, Attorney.
